

Dear State Regents and CDA Members.

I'm sorry to inform you that we will not be able to have our normal Walk/Run, the reason is because of not only an expensive permit fee, but the laws of New Orleans we also have to pay to have police and ambulance on hand for the one hour that we have to be committed to, as many are aware that would more than likely take up any donations that we would have collected for our charities. We are going to still hold the Walk/Run and right now we are calling it a Virtual. We encourage all to participate, you will still receive a T-Shirt and we will have a group photo taken I hope that everyone will consider donating to these worthy charities. The form is attached here and also will come out with our last Call to Convention.

We will have more information as where it will happen at convention.

Please forward to Local and Territorial Courts

Blessings,

Emily
