

Release #85

Please see the attached recent Communications from our National Regent. Because they contained personal addresses I am forwarding them via Flock notes and not on the States FB Page. There are multiple so please read to the end:

Dear State Regents,

I'm sorry to inform you that Sr. Mary Paul Giordano has gone home to our Lord., She had been a very active Catholic Daughter in the past holding offices in both the Local and State in both Pennsylvania and New Jersey.

Please also keep Sr. Mary Paul's sister Margaret Giordano, State Regent of Pennsylvania in your prayers. Many of us may remember Sister Mary Paul from past National Conventions, I will always remember her as a great joke teller.

"May the Angels Lead Sister Mary Paul to Paradise"

Cards of Condolences can be sent to: **(please check your Flock notes or ask our State Regent for the address.)**

Blessings,

Emily
