

Release #87 Update from National CDA

Good morning everyone,

Convention has come and gone so fast! For those of you who attended I hope it was satisfying. It was great to see some of you there and exchange greetings.

I'd like to bring your attention to Convention Updates posted this morning:

- Workshop Presentations
- Circle of Love Contest Winners
- Education Contest Winners
- Father Leonard Bachmann Scholarship Winners

Also, posted recently, an announcement regarding Robes.

In non-convention related matters a condensed version of the Member Survey was also posted recently.

All of the above can be found in the **Updates and Reminders** section at the top, upper right of the Home Page, under the main pictures.

Please don't hesitate to reach out if you have any questions!

PS -- Remember to visit the National CDA Facebook page, the link is at the top of the CDA Website Home Page, it has a lot of fine pictures, comments and discussions about Convention.
