

Release # 103

Hello CA CDA's

The updated CA CDA DD Roster is now available. **Do to the inclusion of names/address and phone numbers we will not make this a public document. Please ask your local CDA CA Regent for a copy and/or link to the file.** Thank you very much to our State Treasure, Michelle Eck who has worked very hard on the updates and getting this into a workable format. The Regents Roster is still a work in progress, we have received some late new officer forms.

We need to get that information inputted and hope to have that link to you by the end of next week. How the Google Drive link works, is as we make corrections they will be updated in the document in real time. Therefore, this document will be a fluid current document.

Thank you all for your patience and understanding regarding this project.

Merry Christmas and Happy New Year,
Maria Santos-Silva, CA CDA State Regent.
