

Release #105 CA CDA American Red Cross Direct Link for LA Wildfire Donations

The CA CDA State Board has established a Direct Link for CDA Members, Family, and Friends to donate to the American Red Cross LA Wildfire Relief Efforts. You can use the QR code or link attached to donate directly to the account set up by the CA CDA State Board. All donations made by our members and friends will be reflected on the Red Cross website as donations made from CA CDA Members, letting the public know what we do in times of need and who we are. If your Court would like to make a donation they can send their checks to State Treasure Michelle Eck with LA Wildfires in the memo.

All individual donations should be made under our account with the Red Cross.

After talking to members in the area, first responders, and other victims, all mentioned that supporting the American Red Cross is the best way to help now. They are on the ground now, serving in multiple capacities, and deserve our support.

Please share this flyer on your personal page and Court pages to help increase the help that CA CDA can give during this horrific fire event. And most importantly, please continue to pray for all involved they are not out of danger, they still have some long days ahead of them.

If you have any questions please contact State Regent Maria Santos-Silva,

MSantosSilvaCACDA@gmail.com.

God Bless you and Thank You for your Support.
